AZIENDA

Aurora s.r.l. è una moderna azienda manifatturiera, dinamica e flessibile: disegna, progetta e realizza imbottiti e complementi di arredo di alta qualità. Dalle prime produzioni artigianali, nel 1997, in Aurora sono cambiate diverse cose: i prodotti, in costante evoluzione, la produzione, diventata industriale, la distribuzione, espansa a livello internazionale, i numeri e le capacità, diventati oggi quelli di un grande produttore Italiano di divani e complementi imbottiti. Diverse cose invece non sono cambiate, ma rimangono come forti fili conduttori: la volontà di innovare e creare Design, la qualità dei manufatti 100% italiani. Aurora lavora nel rispetto delle norme etiche e di mercato, ed è dal 2005 una azienda controllata e certificata "Impresa Etica", dal 2015 è certificata FSC® (Forest Stewardship Council®).

THE COMPANY

Aurora s.r.l. is a modern, dynamic and flexible manufacturing company: it designs, engineers and manufactures high-quality upholstered furniture and furnishings. Many things have changed at Aurora since our first handicraft products, in 1997: our constantly evolving products, our production that has become industrial, our distribution that has expanded at an international level, our numbers and capacity that have now become those of a large Italian sofa and upholstered furniture manufacturer. Several things however have not changed, but have remained our strong guidelines: the desire to innovate and create new designs, the quality of our 100% Italian products. Aurora operates in compliance with the ethical and environmental standards of the market, and, since 2005, is a controlled and certified "Business Ethics" company, since 2015 is FSC® (Forest Stewardship Council®) certified.

UNTERNEHMEN

Aurora GmbH ist ein modernes, dynamisches und flexibles Handwerksunternehmen. Es zeichnet, entwirft und realisiert Möbel und Einrichtungsgegenstände höchster Qualität. Viele Dinge haben sich nicht geändert, sondern ziehen sich als roter Faden durch: der Wunsch, das Design zu erneuern und zu entwickeln, die Qualität der handgefertigten, 100% italienischen Erzeugnisse. Aurora arbeitet in Übereinstimmung mit den ethischen Standards und den Bestimmungen des Marktes und seit 2005 ist das Unternehmen kontrolliert und als "ethisches Unternehmen" zertifiziert, seit 2015 FSC® (Forest Stewardship Council®) zertifiziert.

SOFA

Alato è un divano leggero ed accogliente, come le morbide ali che abbracciano la seduta. Le forme sono addolcite dall'originale finitura a "balze" dei cuscini. La struttura è sostenuta da alti ed eleganti piedini in acciaio cromato.

The Alato sofa is light and welcoming, like the soft wings which embrace the sofa seat. The forms are softened by the original "ruffle" finish of the cushions and the structure is supported by tall and elegant chromed steel legs.

Alato ist ein leichtes und gemütliches Sofa mit weichen, an Flügel erinnernden Armstützen. Die Formen gewinnen durch das exklusive "Rüschendekor" der Kissen. Der Korpus ruht auf hohen, eleganten Standfüßen aus verchromtem Eisen.
